

Go to jmp.com/student. Select **Get JMP for free!**

Select **Get started at MyJMP** on the instruction page.

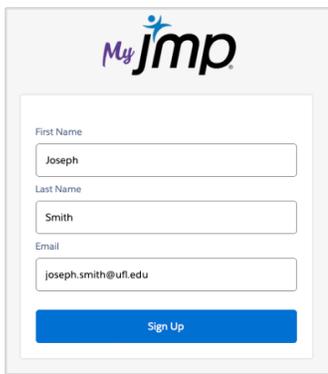

A screenshot of the JMP Student Edition instruction page. The page has a blue header with the text "JMP® Student Edition Help master statistics quickly – and have fun doing it." Below the header, it states "Free for qualified* students, faculty, and academic researchers. Free 12-month subscription to leading statistics software used by industry professionals worldwide." The main content is titled "Follow these four steps to get started with JMP" and lists four numbered steps: 1. Sign in to My JMP, 2. Tell us about you and your studies, 3. Authenticate, and 4. Download, install, and authorize. A blue button labeled "Get started at My JMP" is positioned below the steps. A disclaimer at the bottom explains the eligibility requirements for the free software.

- 1a. You will be asked to sign-in to your MyJMP account. If you don't have one, select **Sign Up**.

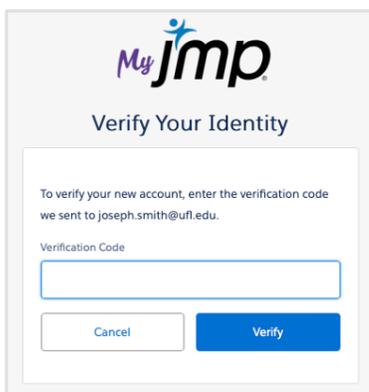

The screenshot shows the MyJMP sign-in interface. At the top is the MyJMP logo. Below it is a white box containing an "Email" label and a text input field. A blue "Sign in" button is positioned below the input field. In the bottom right corner of the white box, there is a small "Sign Up" link.

- 1b. Provide the requested information.
Note: You need to use your email address from your academic institution.

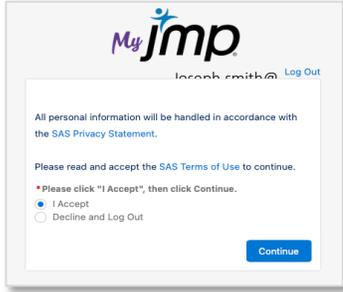

The screenshot shows the MyJMP sign-up form. It features the MyJMP logo at the top. The form consists of three stacked text input fields: "First Name" (containing "Joseph"), "Last Name" (containing "Smith"), and "Email" (containing "joseph.smith@ufl.edu"). A blue "Sign Up" button is located at the bottom of the form.

- 1c. Enter the verification code sent to your email.

The screenshot shows the MyJMP verification page. At the top is the MyJMP logo, followed by the heading "Verify Your Identity". Below this is a message: "To verify your new account, enter the verification code we sent to joseph.smith@ufl.edu." Underneath the message is a "Verification Code" label and a text input field. At the bottom of the form are two buttons: a white "Cancel" button and a blue "Verify" button.

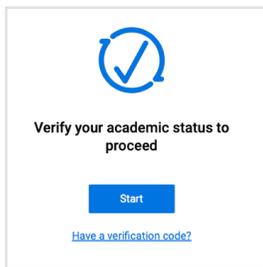

1d. Read and accept Terms of Use (if prompted).

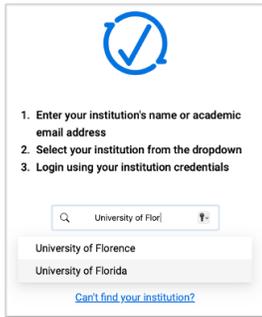

2a. Provide the requested information regarding your affiliation with your school.

A screenshot of a web form for providing affiliation and address information. The form is titled 'Your Address' and contains several sections. The first section is 'Affiliation', with radio button options for 'Student' (selected), 'Instructor', and 'Academic Researcher'. Below this are three text input fields: 'Course Name', 'Course Number', and 'School/University Name'. The second section is 'Your Address', which includes a 'Street Address' text input field, and four smaller input fields: 'City', 'State/Province', 'Zip/Postal Code', and 'Country' (a dropdown menu with '--None--' selected). At the bottom of the form, there is a blue 'Next' button. Small text at the bottom of the form reads: 'To confirm your student status, you will be directed to our authentication provider, Proxi.id. Your school/university credentials will not be shared with JMP or Proxi.id. For more information on this service, please visit https://www.proxi.id/privacy-policy.'

2b. Click **Start** to verify your academic status.

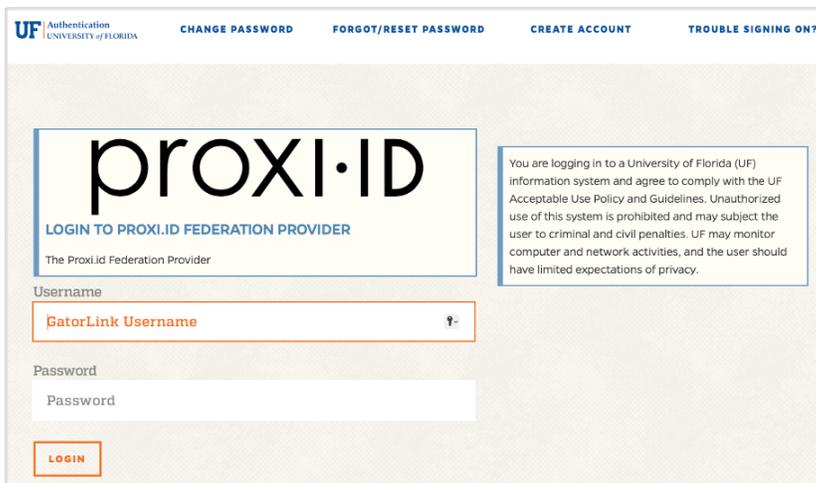

- 2c. Enter the name of your institution and select from the list provided in the dropdown. If your institution is not listed, select **Can't find your institution?** You will be prompted to provide an email address. You need to use your academic email address. A verification code will be sent to your email in that case.

The screenshot shows a web form for selecting an institution. At the top is a blue circular icon with a checkmark. Below it are three numbered instructions: 1. Enter your institution's name or academic email address, 2. Select your institution from the dropdown, and 3. Login using your institution credentials. A search input field contains 'University of Flori'. A dropdown menu is open, showing 'University of Florence' and 'University of Florida'. A blue link 'Can't find your institution?' is at the bottom.

- 2d. You'll be sent to your institution's unique login page to verify your affiliation with your school. Login with your username and password for your institution.
Note: JMP does not receive your login credentials.

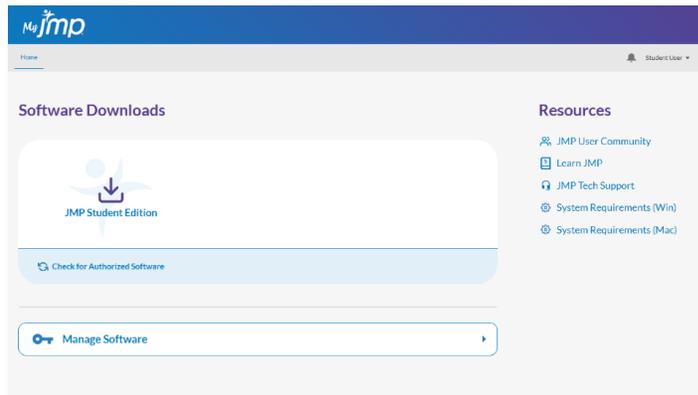

The screenshot shows the University of Florida Proxi-ID login page. The header includes the UF logo and navigation links: CHANGE PASSWORD, FORGOT/RESET PASSWORD, CREATE ACCOUNT, and TROUBLE SIGNING ON?. The main content area features the 'proxi-ID' logo and the text 'LOGIN TO PROXI.ID FEDERATION PROVIDER' and 'The Proxi.Id Federation Provider'. A text box on the right contains a disclaimer: 'You are logging in to a University of Florida (UF) information system and agree to comply with the UF Acceptable Use Policy and Guidelines. Unauthorized use of this system is prohibited and may subject the user to criminal and civil penalties. UF may monitor computer and network activities, and the user should have limited expectations of privacy.' Below the disclaimer are input fields for 'Username' (containing 'GatorLink Username') and 'Password' (containing 'Password'). A 'LOGIN' button is at the bottom left.

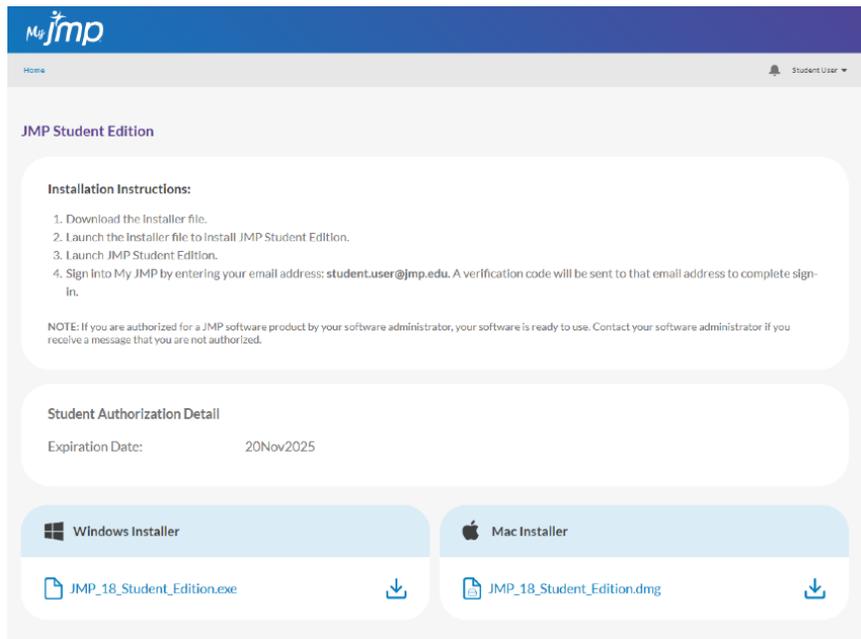

Some users may be asked to provide additional proof of eligibility and be directed to a page to submit proof. If so, see step 2d(1) in the Appendix.

Some users may be initially blocked from verification and will be required to complete a form to release the block. If so, see step 2d(2) in the Appendix.

- 3a. Once verified, you will be automatically sent to the download page showing the available software associated with your MyJMP account. Select the **JMP Student Edition** icon. If you do not see this page, log back into your MyJMP account at <https://my.jmp.com>.

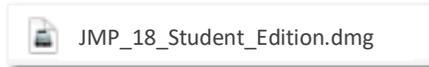

- 3b. Choose to download the correct version for your operating system.

- 3c. Double-click the installer downloaded onto your computer to launch.
- 3d. Follow the steps for the operating system selected to install JMP Student Edition.

Installing JMP Student Edition for Mac operating system:

- MAC 1.** The JMP Installer will be downloaded to your computer. Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

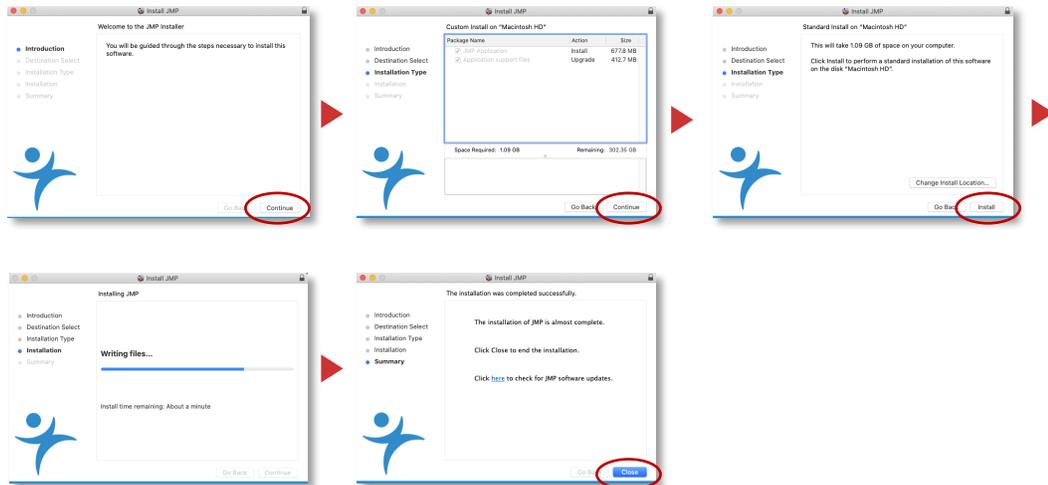

- MAC 2.** Open the JMP Installer by double-clicking on the file.

- MAC 3.** The JMP Installer window will open. To begin the installation process, double-click on the JMP.pkg file.

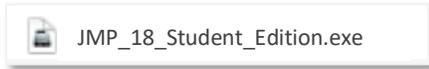

- MAC 4.** Follow the steps to install JMP Student Edition by selecting **Continue**. Next, click **Install**. Click **Close** when completed.

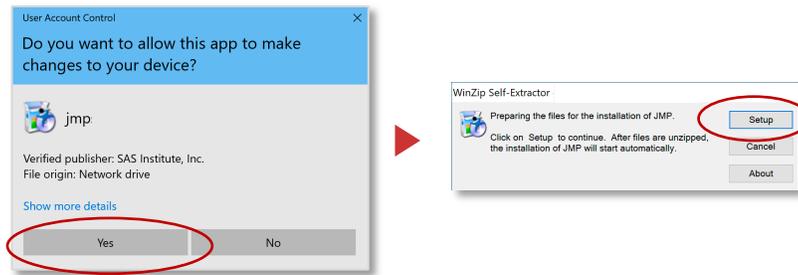

Installing JMP Student Edition for Windows operating system:

WIN1. The JMP Installer will be downloaded to your computer.
Depending upon the speed of your internet connection, this may take a few minutes. The file will appear in your Downloads folder.

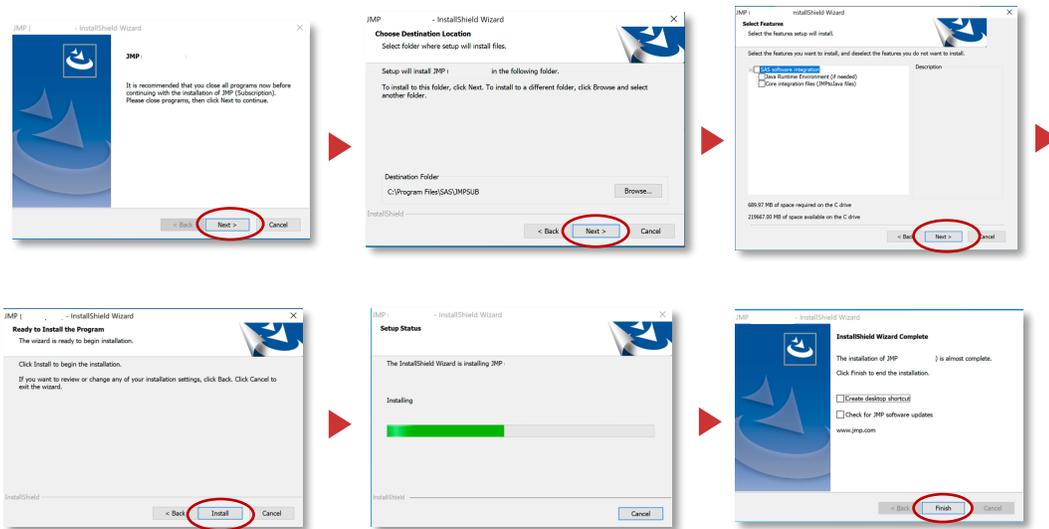

WIN2. Open the JMP Installer by double-clicking on the file.

WIN3. To begin the installation process, confirm that you wish to allow the app to make changes to your device by clicking **Yes**. Then choose **Setup** to extract the installation files.

WIN4. Follow the steps to install JMP Student Edition by selecting **Next**. Click **Install** and then **Finish** when completed.

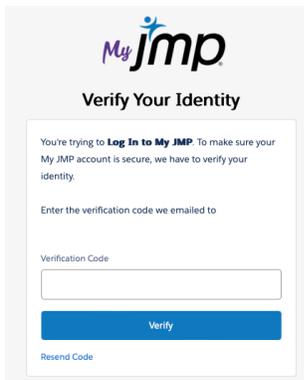

Opening JMP Student Edition

When you launch JMP Student Edition for the first time, you'll be prompted to activate it by logging into your MyJMP account via your email.

A verification code will be sent to your email. Enter it and then click **Verify**.

JMP provides free resources to help you learn to use the software quickly and efficiently for your class.

- **New to JMP?** Begin with our 45-minute [Getting Started with JMP](#) tutorial.
- **How do you perform specific analyses?** The [Learning Library](#) provides two-minute videos with step-by-step instructions and corresponding one-page summaries for most of the common analyses in statistics courses.
- **Looking for more learning resources?** Visit the [academic webinar library](#) or [Learn JMP](#) for other learning materials.
- **Have other questions?** Head over to the [JMP User Community](#) to interact with other users and find the latest information.

APPENDIX

If you are unable to successfully complete the download/installation process, visit our [FAQ page](#) for answers to problems that you may be having.

2d(1). If you were sent to a page that is not associated with your institution to verify that you are a student, faculty, or researcher at an academic institution, complete the requested information.
